## 1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

Compliance with the Equality Act is consistent with the school's aims and Equal Opportunities Policy, and the operation of the school's SEN policy. Bardfield Academy recognises it's duty:

- not to discriminate against disabled pupils in their admissions and exclusions, and provision of education and associated services.
- not to treat disabled pupils less favourably.
- to take reasonable steps to avoid putting disabled pupils at a substantial disadvantage.
- to publish an Accessibility Plan.

The plan will be made available online on the school website, and paper copies are available upon request.

## 2. Legislation and guidance

This document meets the requirements of schedule 10 of the Equality Act 2010 and the Department for Education (DfE) guidance for schools on the Equality Act 2010.

The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

Under the Special Educational Needs and Disability (SEND) Code of Practice, 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This policy complies with our funding agreement and articles of association.

### **3. Education and Related Activities**

Bardfield Academy recognises and values parents' knowledge of their child's disability and its effect on his/her ability to carry out normal activities, and respects the parents' and child's right to confidentiality.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan and will continue to seek and follow the advice of LA services, such as specialist teacher advisers and SEN inspectors/advisers, and of appropriate health professionals from the local NHS Trusts.

Bardfield Academy provides all pupils with a broad and balanced curriculum, differentiated and adjusted to meet the needs of individual pupils and their preferred learning styles and endorses the key principles in the National Curriculum, which underpin the development of a more inclusive curriculum:

- setting suitable learning challenges
- responding to pupils' diverse learning needs
- overcoming potential barriers to learning and assessment for individuals and groups of pupils.

### **4. Provision of Information**

The school will make itself aware of local services, including those provided through the LA, for providing information in alternative formats when required or requested by parents/carers.

### **5. Physical Environment**

Bardfield Academy will take account of the needs of pupils, staff and visitors with physical difficulties and sensory impairments, i.e. making reasonable adjustments, and also when planning and undertaking future improvements related to refurbishment of the site and premises.

### **6. Monitoring Arrangements**

This document will be reviewed every 3 years, but may be reviewed and updated more frequently if necessary.

It will be approved by the Board of Directors.

### **7. Links with other policies**

This accessibility plan is linked to the following policies and documents:

- Risk assessments
- Health and Safety policy
- Equality policy
- Special educational needs (SEN) & Disabilities policy
- Supporting pupils with medical conditions policy
- Safeguarding and Child Protection

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, this procedure sets out the process for raising these concerns.
