

15th October 2021

Dear Parents/Carers

In preparation for next half term, please could your child bring a clean cereal box to school for the first week back to school. This is for our Great Fire of London topic. Also, please could your child bring a family photo to school as well (copies are fine).

Next half term we will be reading *The Little Red Hen* and it would be helpful if you could read this book with your child over the holiday period. We will be making bread so if you could try some different types of bread or do some research with your child about different types of bread that would be helpful.

Thank you for your support. Have a lovely half-term break.

Kind regards
The Year 1 Team
