

8th September 2021

Dear Parents/Carers

Swimming Year 4 September 2021

I am writing to remind you of Year 4's upcoming swimming lessons. Year 4 will be swimming on **Tuesday at 1:30pm from Tuesday 14th September, until the end of the autumn term.** The permission form link was emailed to you on Monday; if you have not yet completed it please click on the link below.

[Year 4 Swimming permission form](#)

Each week, your child will need to come to school with their swimming towel, swimming hat and swimming costume. Swimming hats will be provided at the start of the term by Everyone Active on their first lesson. Swimming trunks must be knee length or shorter and girls must wear a one piece costume. Long hair must be tied up and earrings must be removed. If the piercing is less than 6 weeks then they need to be taped up with tape provided by you.

The school is contributing to the cost of swimming from the school budget but please ensure you credit £3.00 to your parentmail account weekly to help cover the cost of transport to and from the pool.

In addition, Everyone Active has notified us that they have changed their assessment programme to a system called Aqua Passport. The pool staff have now asked us to provide them with pupils' names and DOB electronically rather than on paper. If you do not wish us to share your child's full name and DOB, please inform the office by **Friday 10th September 2021.**

I hope Year 4 enjoy their swimming lessons this term!

Thank you for your continuing support,

Miss Smith
PE co-ordinator
